

Errors & Omissions Insurance

Protecting Your Potential Insured's Business

Professional liability claims can be costly to defend and resolve.

- People sue when they feel negligence has occurred.
 - Claimants will look for compensation regardless of the company's financial status or whether or not it is insured.
- Defense costs are high (even for frivolous lawsuits)!

When your potential insured's business is threatened by a lawsuit, they need to know that their liability insurance will provide them with the protection needed. The SBE Miscellaneous Errors & Omissions policy can be there to protect them.

Also, included with the SBE Miscellaneous E&O program is the designated loss control services offered by Specialty Risk ManagementSM, (SRMSM), an independent risk management company. SRM is a leading loss control company, created to help reduce professional errors and offering a nationwide 800 "hotline" service throughout the policy period. The SRM confidential hotline has more than 120,000 interactions to its credit since its introduction as a support service. SRM's specialists offer real-time response for immediate issues such as tips on client handling, indemnification agreements, proper disclaimer language, as well as other risk management tools to help manage the insured's clients risks.
